

## Here's what to plan for:

- Please drop off your family at the door and then park up the street.
- In addition to our usual parking (Kendall and EPS lots), we also have permission to park in the Mercantile Bank, Rose Medical and Wolverine Coil Supply Lots.
- Street parking is also available— thank you for being mindful of our neighbors as you do so.
- To make things easier, our church bus will be driving around to pick up drivers. After you drop off passengers and park, look for the bus for a ride back to the building.
- Please plan accordingly, knowing it may take a little extra time to park and get to the building.
- See the attached picture for more parking information.
